

Workday Built Integration for

# ACA Print & Mail Fulfillment

## CIC Plus' ACA print & mail solution integrates with Workday:

- + CIC Plus can handle the printing and mailing of your employees' ACA statements at the click of a button
- + Our API receives employee 1095-C data from Workday into our platform for fulfillment
- + CIC Plus monitors all regulatory changes and proactively updates ACA statement specifications as needed
- + CIC Plus can help prepare state-mandated 1094/5-C forms for CA, DC, NJ, & RI

### Solution Benefits

- Eliminate the manual process for printing & mailing ACA statements, while ensuring compliance
- Support for state ACA files
- Easy implementation

### Interface with Workday

- CIC Plus manages all details involved with producing and mailing printed ACA statements directly to employees
- All pertinent employee healthcare information will be delivered automatically and securely from Workday to CIC Plus

## Questions to Consider:

How do you handle the printing & mailing of ACA statements for employees who do not opt-in to receive electronic statements?

How are you ensuring compliance with state ACA filing?
